

Dear Friend,

Here's your bookmark plan for reading through the entire New Testament in 2023. May God bless you for your desire to read His Word and may the Holy Spirit give you understanding. We're praying for you.

This plan is organized so that you will read five chapters per week. On Saturdays and Sundays there are no readings, but you may wish to blend in Psalms and Proverbs from the Old Testament on your own on those days.

Note that on the last two weeks of the plan, you'll read two chapters per day so that you have an end-of-year rest. It gets exciting at the end, and I think that you'll want to read more anyway.

If you do fall behind, don't feel condemned! Just skip those chapters and start over on the reading for the current day. It's hard to skip, but just read steadily and you'll make it.

So relax, find a comfortable chair, and 10 minutes a day to be alone with the best Author in the universe and take in His eternal Word.
